

# The Delta Dental Difference

## Access to the nation's largest dental network

We are proud to offer both Delta Dental PPO™ and Delta Dental Premier® networks. The unique dual network, known as Delta Dental PPO Plus Premier™, gives you the opportunity to choose from a broader selection of dentists.

### Nationwide

Delta Dental Premier®: 155,000  
Delta Dental PPO™: 113,500

### Minnesota

Delta Dental Premier®: 2,952  
Delta Dental PPO™: 1,936

### North Dakota

Delta Dental Premier®: 267  
Delta Dental PPO™: 98

## Unmatched cost savings and value

Our network dentists have agreed to accept the maximum allowable amount for the dental procedure charge and will not bill you the difference. This way, both members and employers receive the greatest value and cost savings.

### Network Savings Example

Delta Dental of Minnesota's payment for covered services in this example is 50 percent.

Type of Provider	Provider Submitted Cost	Maximum Allowable Fee	What Delta Dental Pays	Your Out-of-Pocket Cost
Delta Dental PPO™	\$100	\$80	\$40	\$40
Delta Dental Premier®	\$100	\$90	\$45	\$45
Out-of-network	\$100	\$70	\$35	\$65**

\*\*Note: We do not have control of the fees a out-of-network dentist may charge. You are responsible for paying the difference between Delta Dental of Minnesota's allowable fee and the fees charged by the out-of-network dentist. Seeing an out-of-network dentist is always an option. However, by utilizing one, you will be missing out on the discounts available to you.
