

BLUE CROSS BLUE SHIELD GLOBAL[®] CORE

As a Blue Cross and Blue Shield of Minnesota member, you take your health care benefits with you when you are abroad. Through the Blue Cross Blue Shield Global Core program, you have access to doctors and hospitals around the world.

TO TAKE ADVANTAGE OF THE PROGRAM:

- Always carry your current member ID card
- Before you travel, contact Blue Cross for coverage details. Coverage outside the United States may be different.
- If you need to locate a doctor or hospital, call the Service Center for Blue Cross Blue Shield Global Core (see number below). An assistance coordinator, in conjunction with a medical professional, will arrange a physician appointment or hospitalization if necessary.
- If you need inpatient care, call the Service Center (see number below). In most cases, you should not need to pay upfront for inpatient care at hospitals except for the out-of-pocket expenses (noncovered services, deductible, copayment and coinsurance) you normally pay. The hospital should submit the claim on your behalf.
- In addition to contacting the Service Center, call Blue Cross for precertification or preauthorization. Refer to the phone number on the back of your member ID card. *Note: This number is different from the phone number listed below.*
- For outpatient and doctor care or inpatient care not arranged through the Service Center, you may need to pay upfront. Complete a Blue Cross Blue Shield Global Core International claim form and send it with the bill(s) to the Service Center (the address is on the form). The claim form is available from Blue Cross or online at bcbsglobalcore.com.

Each health care provider is an independent contractor and not our agent. It is up to the member to confirm provider participation in their network prior to receiving services.

Each local Blue Cross and/or Blue Shield plan is an independent licensee of the Blue Cross and Blue Shield Association.

In an emergency, go to the nearest hospital.
